

**Bourne End Junior Sports Club – Football Section Emergency Action Plan
Wooburn Park**

For all emergency services - Dial 999 or 111

Club Name:	Bourne End Junior Sports Club
Activity:	BEJSC Football Matches/Training sessions
Venue:	Wooburn Park, Town Lane, Wooburn Green, Bucks, HP10 0PN

FIRST AIDER INFORMATION

Each BEJSC team should have a qualified First Aider and a First aid kit present at all Matches and training sessions.

First Aid Equipment & Facilities

Defibrillator:	On outside wall (facing the football pitches) of Wooburn Park Pavilion. Details of use are shown on the defibrillator.
Stretcher:	Not available. If required, would require an ambulance to attend.
Ambulance:	Call emergency services, if required.
Location of venue:	See above for venue details, including post code.
Ambulance access to venue:	Entry is via the main entrance gate to Wooburn Park. The overhead barrier needs to be removed and the entrance gate in the upper car park (not the main entrance gate) opened before entry. The key for the main entrance gate and overhead barrier (same key) is held in the Red key box inside the Storage area of the Pavilion. All teams have a set of keys for access to the Storage area (left hand shutter door facing football pitches). The Red key box is positioned just under the light switch, immediately on the left-hand side as you enter the storage area. <u>Team Managers/Coaches have been advised of the code for the Red key box.</u> <u>Please ensure that the barrier is put back and locked, as well as the main entrance gate after any incident and the entrance gate key must be put back in the Red key box.</u>
Pitch to Ambulance	Across the park, but assisted by BEJSC Officials.
Reporting Incident:	If a parent or guardian of an injured player is not present, contact them immediately. After the incident, it should be noted in the Age group's First Aid Accident book (included in First Aid kit). Also, the BEJSC Accident form (see below) is to be completed.
